

Kaja Lorenci
Just in Appearance Sometimes as Everyone Else
Technical Rider

LIGHTING:

- 35 X PC (1 kW) with shutters
- 9 x PC (2 kW)
- 5 x profile (1 kW, 25°-50°)
- 9 x cyclorama (1 kW)
- Min. 40ch dimmer
- Lighting console (set up on top of the auditorium)
- Lighting grid height: min 4,5 m

AUDIO:

- 2 x speaker + 2 x sub (stereo connection)
- 2 x speaker stand (speakers on stands left and right stage / subs positioned left and right of speaker stands)
- 1 x speaker positioned backstage (for example in the wardrobe, or elsewhere in the venue, depending on its characteristics. Agreed upon by produce and presenter.)
- 1 x table + 1 x chair (for the musician on stage: Ivan Mijačević)
- 1 mixing console with at least 4 x inputs and 3 x (separate) outputs (for the musician Aleš Zorec in the tech booth)
- 4 x jack cable (cables to be connected from the sound card, brought by us and used by the musician on stage, to the mixing console in the tech booth)

STAGE/SET:

- Stage: min 10 m x 10 m; black floor, white walls; stage completely empty (except for speaker or sound equipment if necessary)
- Open curtains/shades on windows

WARDROBE:

- Wardrobe should be big enough for 5 dancers + shower and toilet
- Plenty of drinking water available
